

Jason est tout simplement une peinture, une découverte magnifique qui réconcilie les styles. Il sait tout faire avec une facilité déconcertante. J'ai choisi ce morceau tout simplement parce que c'était l'un des seuls que je pouvais jouer. Pourvu qu'il ne prenne pas la grosse tête car on attend beaucoup de lui dans les années à venir.

Details in the fabric

Calm down, deep breaths
And get yourself dressed instead
Of running around and pulling on your threads and
Breaking yourself up
If it's a broken part, replace it
If it's a broken arm, then brace
If it's a broken heart, then face it

Chorus :

And hold your own, know your name
And go your own way
And hold your own, know your name
And go your own way
Everything will be fine

Hang on, help is on the way
Stay strong, I'm doing everything

Chorus :

Are the details in the fabric
Are the things that make you panic
Are your thoughts results of static cling?
Are the things that make you blow
Well, no reason, go on and scream
You're shocked it's just the fault of faulty manufacturing
Everything will be fine, everything in no time at all, everything

Chorus :

Hold your own, know your name
Go your own way
Hold your own, know your name
Go your own way
Hold your own, know your name
Go your own way
Hold your own, know your name Go your own way
Everything will be fine, everything in no time at all, hearts will hold
