

Il a une super voix ce Paolo Nutini. On se demande où il a été cherché ce timbre de voix black.
Chanson tirée du disque « these streets » sorti en 2006 (20 ans le gamin ...).
Il a du talent cet écossais !

Last request

Slow down, lie down
Remember it's just you and me
Don't sell out, bow out
Remember how this used to be
I just want you to clother, is that alright?
Baby let's get closer, tonight

Grant my last request and just let me hold you,
Don't shrug your shoulders
Lay down beside me
Sure I can accept that we're going nowhere
But one last time let's go there
Lay down beside me, ohhh

I've found that I'm bound to wander down that long way road, ohhh
And I realise all about your lies,
But I'm no wiser than the fool that I was before.
I just want you to clother, is that alright?
Baby let's get closer, tonight

Grant my last request and just let me hold you,
Don't shrug your shoulders
Lay down beside me
Sure I can accept that we're going nowhere
But one last time let's go there
Lay down beside me, ohhh

Baby, baby, baby tell me how can, how can this be wrong?

Grant my last request and just let me hold you,
Don't shrug your shoulders
Lay down beside me
Sure I can accept that we're going nowhere
But one last time let's go there
Lay down beside me, ohhh
