

Father & Son

Cat Stevens

It's not time to make a change,
Just relax, take it easy
You're still young, that's your fault,
There's so much you have to know
Find a girl, settle down,
If you want you can marry
Look at me, I am old, but I'm happy

I was once like you are now, and I know that it's not easy,
To be calm when you've found something going on
But take your time, think a lot
Why, think of everything you've got
For you will still be here tomorrow, but your dreams may not

How can I try to explain, when I do he turns away again
It's always been the same, same old story
From the moment I could talk I was ordered to listen
Now there's a way and I know that I have to go away
I know I have to go

It's not time to make a change,
Just sit down, take it slowly
You're still young, that's your fault,
There's so much you have to go through
Find a girl, settle down,
if you want you can marry
Look at me, I am old, but I'm happy

Cat Stevens a fait de super morceaux avant de sombrer dans l'absurdité religieuse dans laquelle il patauge aujourd'hui; Bien dommage... Il avait un talent mélodique évident (Sad Lisa, Morning has broken, Ma lady d'Arbanville, Wild world...).

Father & Son est une chanson que j'adorais chanter e vers 17-18 ans. Premiers accords de guitare...
