

# EVERYBODY SAYS IRMA

Aha aha aha ah ah ah aha  
Go tell everybody that I just want to sleep  
I just need to take a break  
I just need some breath  
Cause every every other day I pray for you to come  
And I don't want to hear about anybody but you

And I don't have to ruin your plans  
After all I have to be kind  
For your to be my friend, you to be  
Cause everybody says, everybody wants  
Everybody has something that's going on  
I don't wanna smile, not answer the phone  
Why don't you wanna wanna leave me alone

Aha aha aha ah ah ah aha  
Aha aha aha ah ah ah aha

Go tell everybody that I just need a break  
I'm done with all your randless questions  
I don't want to play  
Cause every other other mean that I can get from you  
Now I can stand the feeling knowing what went through

And I don't have to ruin your plans  
After all I have to be kind  
For your to be my friend, you to be  
Cause everybody says, everybody wants  
Everybody has something that's going on  
I don't wanna smile, not answer the phone  
Why don't you wanna wanna leave me alone

Aha aha aha ah ah  
Aha aha aha ah ah

Cause everybody says, everybody wants  
Everybody has something that's going on  
I don't want to smile, not answer the phone  
Why don't you wanna wanna leave me alone
